Attention 6th & 7th graders! If you missed out on AMS Art Camp last year, you are in luck, registration is now open for our 2016 art camp.

Cool stuff you get – camp t-shirt, commemorative camp photo block, and all of the artwork you make during the week (see the photo of the student standing next to the artwork she made at last year's camp).

You don't even have to take an art class at AMS to get to participate!

Registration packets are available online (link listed above), through an AMS art teacher, or the main office.

Space is limited, so make your reservation now!
